

Community Jobs and Vacancy Announcement

from: Newsletters On Web

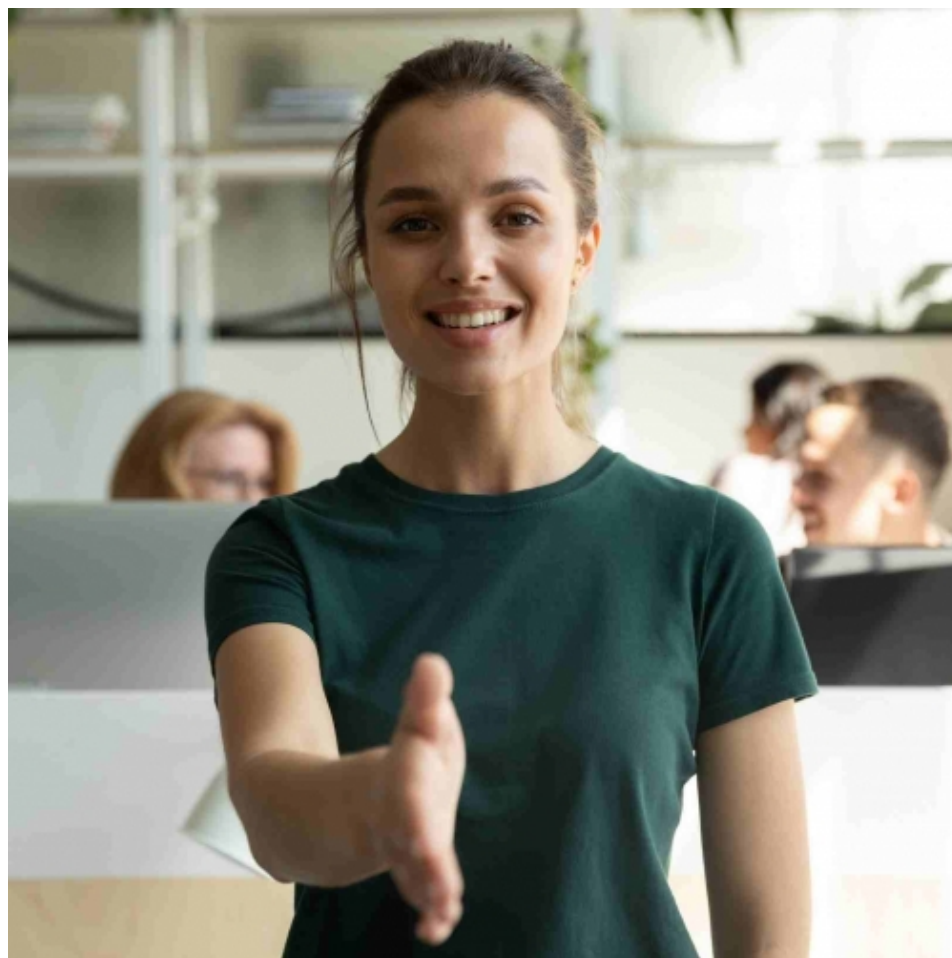

Price: £40.00

Date: 2021-03-25 11:24:31

Expiration Date: 0000-00-00 00:00:00

Description

Putting in the groundwork to create a robust recruitment marketing campaign now, could help you reduce recruitment costs and see a better quality of hire in the future. Build or refine your employer brand, showing your company values and what makes you unique. We can develop digital attraction strategies, including social media, digital marketing as well as a newsletter as recruitment marketing, to ensure your messaging reaches engaged and relevant people.
