

Derbyshire Electrical Specialists

West Point, 22 Brook St
Derby, Derbyshire DE1 3TE
United Kingdom

Phone: 01332215477

Derbyshire Electrical Specialists are your friendly, qualified electricians serving Derby, Belper, Ilkeston, Ripley, Ashbourne, Alfreton, and surrounding areas. We provide reliable electrical services for homes, landlords, and businesses, always focusing on safety, quality, and great local service. Our work covers rewires, consumer unit upgrades, lighting design, EV charger installation, socket fitting, electrical testing (EICR), emergency repairs, smart home systems, and commercial electrical work. All projects are carried out by NICEIC-registered electricians who take pride in honest advice, tidy workmanship, and fair pricing. Whether you need a small electrical repair or a complete installation, you can count on us for prompt, professional service and lasting results.
